Unless the court shall extend the time for cause shown, and shall be enrolled for participation in the fund arising from said judgment, provided they shall establish the fact that they were members of some one of the tribes of New York Indians at the date of the execution of the treaty of Buffalo Creek, January 15, 1838, or that they are descendants of such persons, or that they were affiliated or associated with one of said tribes at the time of the execution of said treaty, or are descendants of persons who were so affiliated or associated, and further establish the fact that since said date of 1838 they have not affiliated with any tribe of Indians other than one of the tribes of New York Indians parties to said treaty."—

the following named persons, being New York Indians, and desiring to avail themselves of the opportunity thus offered to appear, allege and prove that they are lawfully entitled to participate in the fund arising from the judgment rendered in this cause November 22, 1898, for the payment of which Congress appropriated the necessary money by the Act of February 9, 1900 (31 Stat. L., 27), as members respectively of the tribes set opposite their names, or as descendants of such members, now petition that they be duly enrolled for participation in said fund.
